Steve says:

DO YOU FEEL THAT?

The seasons are changing! And at The Rotary Club of Southeast Tulsa we are in an exciting time of growth and activity...yes, even change. FitFest will provide a terrific opportunity to make a positive impact on the community and a "Steakfingers" experience for the club. More about that later.

It is not too soon to start thinking about next year. Tom Hansen will be visiting with the Past Presidents about the slate of officers and directors for next year's club leadership. What existing or new areas of Rotary service appeal to you?

Many thanks to you for inviting prospective members to visit our club! We have had several guests and visitors at club meetings already this year. Have you gotten to know our two newest members Don Dunn, and Michael Mages?

November is Foundation month and we have two programs planned just for that reason. On November 13th we will have a presentation about Polio Plus, and on the 20th we will promote and recognize your support of the Rotary Foundation.

Something to think about...did you know that your gift of:

- \$1 a share drills water well in Nicaragua?
- \$1.65 puts a dictionary in the hands of a third grader in Union Public Schools?
- \$30 will replace a lens to give the gift of sight?
- \$70 will repair a cleft palate?
- \$75 will provide a wheelchair to someone in another country?
- \$100 a year is the goal of Every Rotarian Every Year?
- \$334 in EFT contributions will fund a 1st time Paul Harris Fellow?
- \$1,000 a year makes you a member of the Paul Harris Society?

Asking someone to Rotary.....Priceless!

Unshared joy is an unlighted candle.

Deluxe OSU Ticket Package Auction

Bids closing 10/23! This is the link to the auction:

<http://setulsarotary.org/setr/osu-kansasfootbalauction.asp>

The auction will run through 6:00 PM 10/23/07. It is open to non-Rotarians so I encourage you to forward to those that you know who may be interested in attending this game in "Grand Style"! It's all about supporting Rotary!

Contact Jim Hopkins, Tom Hansen or Ed Hardesty if you have questions. This is not an eBay-type auction

Have you gone to the website and taken a look at this amazing package available for the OSU vs. Kansas (7-0) game. It is a very special opportunity to take an important client or give them to a customer! Or, even better, enjoy the tickets yourself.

The Tailgate pass provides all the non-alcoholic pre-game partying you might want. The parking pass gets you pretty dang close. The tickets are just dandy. Face value over \$800. Get the details at the website.

If not you, then who? Pass this website on to your Cowboy and Cowgirl friends. Hey, maybe a KU fan would make the trek.

Service Projects – Cathey Fisher

Through September you have given, surprisingly, \$103.94 to the Wheelchair Foundation.

Coming up . . . November is Rotary Foundation month.

If 2007 was a bountiful year for you; consider a gift to the Foundation in support of your favorite Rotary International project. Your gift can have an immeasurable impact on the lives of others.

Rotary to receive UN Association's Humanitarian Award

The United Nations Association of New York will honor Rotary International and The Rotary Foundation of RI with its 2007 Humanitarian Award on 25 October, in recognition of Rotary's significant efforts to provide safe water and sanitation and its commitment to sustainable development worldwide.

"In the years since Rotary International has started focusing on water as one of its annual service emphases...We've learned just how much can be accomplished with relatively little, how a single small water project, perhaps a pump or a filter, can change the life of a community," says RI President Wilfrid J. Wilkinson. "However, our work has also included participation in many other major water projects."

The award is presented annually in observance of [United Nations Day](#) (24 October). This year's award ceremony will focus on the global water crisis. Other honorees include Antony Burgmans, former chair of Unilever, and Cirque du Soleil's One Drop Foundation.

Tim Airhart is once again helping with the planning for the 2nd annual Route 66 Marathon to be held in Tulsa on Sunday November 18. If all goes as planned, he will also be running the marathon again. Volunteers are needed for various duties in the days before and during the race.

Tim's committee is organizing the relay exchange stations. If you would like to volunteer, please contact Tim at tairhart@cox.net, or sign up online at www.route66marathon.com.

From Ellis Potter, DG (excerpts)

One of the founding principles for ROTARY is attendance. It fosters fellowship among club members, it provides opportunities to meet new people and makes long-

time friends and it keeps members current on club, district, and Rotary International news and events.

I frequently hear from some members "I've been too busy to attend". How is it then, that a number of clubs in 6110 have attendance numbers **greater than 90%**? Obviously, tradition makes members of those clubs set a very, very high priority on attendance

Is your club one of those with **90%** attendance? If so, congratulations! If not, set a goal for your club to have higher attendance.

Share Rotary during you Club meetings!
