Steve says:

It's the most wonderful time of the year!

There are so many memories associated with the holidays. For many of us the delicious aroma coming from the kitchen of so many traditional foods, reminds us of home, family, and sharing. This too is the time of year when we can share our time, our talents, and our resources, and make a difference in someone's life.

If you have not had the opportunity, I hope you had a chance to sign up for the Salvation Army bell ringers' project. We will also be handing out dictionaries to all of the 3rd graders at Union Public Schools. We are also helping make Christmas special for a family selected by DVIS. The Adopt - A - Dads will be helping with the Winter party at Roy Clark Elementary. Please invite your spouse or friend to the club luncheon on December 11th and you will be treated to a special Christmas program from the Sparkletones [from Roy Clark Elementary].

Have you considered a gift to the Rotary Foundation as this year comes to a close? We had terrific programs in November and for all that have believed the good work that the Foundation accomplishes you also had a chance to see it, how lives were changed by your gift to Rotary.

Isn't this the perfect time to share the gift of Rotary with a friend? Remember the club picks up the cost of your friend's lunch, that's our gift to you!

During this season of giving and sharing I am thankful for your membership in our club, your gift of service above self, and wish you a very Merry Christmas and Happy New Year!

"I will honor Christmas in my heart, and try to keep it all the year."

~ Charles Dickens, from A Christmas Carol

Secretary – Scott Long

Attendance, Make-ups, Commitment.

- 40%** - number of our club's members who are at the 100% attendance mark, so far this year. Keep up the good work!
- 82%** - average club meeting attendance, including make-ups. This is down noticeably compared to last year.
- 47%** - members who are staying above (actually, in most cases – well above) the suggested attendance mark of 60%.
- 13%** - Some fall below the minimum of 50% attendance.
- 6** – Number of area Rotary Club that do not meet on Tuesday, including a Sunrise club. Making up at a club should always be the first choice. Rotary was founded on the principal of business people getting together. (See back page for locations)
- 14** – number of On-line Rotary Clubs. Half of them are in English. Visit an On-line club anytime, day or night, for 30 minutes. It can be like international travel. Guarantee: you will come away having learned something that benefits you and/or Rotary. (See back page for internet links)

In most cases, attendance adds up to involvement. Especially with Fit-Fest on the horizon, all hands on deck, OK?

Service Projects – Cathey Fisher

Dictionary Project

Definition:

Fluid; *adj.* 1. Subject to change or movement.

Southeast Rotarians are scheduling their deployment to disperse dictionaries throughout UPSP's third grade classes. Plans can change. Good intentions get stymied.

Please, if you have a moment to lend a hand, call the school coordinator and volunteer. Someone may have had to back out. You could be the key to success.
